## CAREER OBJECTIVE

Artificial Intelligence and Machine Learning undergraduate with hands-on experience in machine learning, data analysis, and full-stack web development, seeking an internship to build scalable, data-driven applications and gain industry exposure.

## INTERNSHIP EXPERIENCE

### Web Development Intern - Amdox Technologies, Bengaluru

Sep 2025 – Nov 2025

- Gained hands-on experience in web development by building and working on web applications
- Strengthened technical, problem-solving, and collaborative skills through real-world tasks

## PROJECTS

### Internship Finder- Web development

- Designed and developed an internship platform featuring wishlist management, notifications, and application tracking for students
- Implemented an analytics dashboard to monitor internship activity and improve platform usability

### Court-Data Fetcher & Mini-Dashboard - Web App Project

- Developed a web application to fetch and display Indian court case details with structured data presentation
- Implemented secure data handling using manual CAPTCHA input and SQLite database storage

### Event Booking System – Web development

- Built a full-stack event booking platform using React, Node.js/Express, and MongoDB
- Implemented event management (CRUD operations), multi-step booking workflow, and automated email confirmations

### Personalized Healthcare – Web App Project

- Developed a personalized healthcare web application to manage and analyze user health data
- Implemented features to deliver personalized healthcare insights

## CERTIFICATIONS

- MongoDB Certified Associate Developer, MongoDB Inc.  
Feb-2025
- Oracle APEX Cloud Developer Certified Professional, Oracle  
May-2025
- Advanced Diploma in Python Programming, CSC Academy  
May-2023

## EDUCATION

**Bachelor of Technology in Artificial Intelligence and Machine Learning**  
**Kongu Engineering College, Perundurai.**  
2023-2027 | CGPA 7.80 (Till 4th Semester)

### 12th Standard

**Erode Hindu Kalvi Nilayam, Erode.**  
2023 | Percentage :75.1

### 10<sup>th</sup> Standard

**Erode Hindu Kalvi Nilayam, Erode.**  
2021 | Percentage : ALL PASS

## SKILLS

- Programming Languages:** Python, Java, C
- Web Development:** HTML, CSS, MERN Stack
- Databases:** MySQL, MongoDB, SQLite
- AI / Data:** Machine Learning, Data Analysis
- Tools & Platforms:** Git, GitHub, Linux, Power BI

## AREA OF INTERESTS

- Full-Stack Web Development
- Data Analyst
- Machine Learning

## MEMBERSHIPS:

- Robotics club – Member  
2024-Present
- Closed User Group – Member  
2025-Present
- Students Activity Points Coordinator  
2025-Present
